What is the Kilfinan Community Forest Company? KCFC is a Scottish registered charity in the parish of Kilfinan with a wholly voluntary board. Why a Company? For future management it is essential that the company operates as a fully legal entity from the beginning. This ensures that individual liability will be kept to the bare minimum of £1 each.

Why Join? The company is owned and controlled by its members. Membership allows you to get involved at a practical level and to take part in the running of the organisation. Members have a full vote at all General Meetings and the opportunity to become a Director. Full membership gives everyone in the community a say in the running of the company.
